-----------------	------------------

The Foreign Account Tax Compliance Act (FATCA) was signed into U.S. law on March 18, 2010. It is aimed at preventing U.S. taxpayers from using accounts held outside of the U.S. to evade taxes. Any financial institution that fails to comply with FATCA will face a 30% withholding tax on a wide range of U.S. sourced payments to its clients.

Under U.S. federal tax law, Habib Bank Zurich plc is required to request certain taxpayer information from persons who maintain an account at Habib Bank Zurich plc (whether such persons are U.S. taxpayers or not). Information collected will be used solely to fulfill Habib Bank Zurich's plc requirements under FATCA and will not be used for other purpose.

Change of Circumstances in Status as Non-U.S. Person

For the duration of the contractual relationship with the Bank, the undersigned Client undertakes to notify the Bank, at his/her own initiative and within 30 days, if his/her status (and/or the status of any other (additional) beneficial owner of the relationship) as a Non-U.S. Person under U.S. tax principles changes to the status of a U.S. Person under U.S. tax principles.

By signing this Account opening form you:

- Consent that if you have answered yes to the question above, relevant account and/or personal information will be released to the US Tax authorities.
- Undertake to notify the Bank, on your own initiative and within 30 days, if your status as a Non-U.S. Person under U.S. tax principles changes to the status of a U.S. Person under U.S. tax principles.

Tax regulations require Habib Bank Zurich plc (hereinafter the 'Bank') to collect certain information about each account holder's tax residency status. This section is designed to capture the citizenship and residency for tax purposes of the person entitled to the income and assets associated with an account (the beneficial owner).

Please complete, where applicable, the relevant sections below and provide any additional information as may be required. Please be advised that in certain circumstances the Bank may be required to share this information with relevant tax authorities. If you have any questions about how to complete this Section, please contact your tax advisor.

Please indicate all countries in which you are resident for tax purposes and the associated Tax Identification Numbers (TIN).

For the purposes of taxation, I am tax resident in the following countries¹ and my Tax Identification Number (TIN) in each country is set out below or I have indicated that a TIN is unavailable:

Country 1		
TIN/functional equivalent		
Country 2		
TIN/functional equivalent		
Country 3		
TIN/functional equivalent		

If a TIN is unavailable, please provide the appropriate reason A, B or C:

Reason A: The jurisdiction where the account holder is a resident for tax purposes does not issue TINs to its residents.

Reason B: The account holder is unable to obtain a TIN. Explain why the account holder is unable to obtain a TIN if you have selected this reason.

Reason C: TIN is not required. Select this reason only if the authorities of the jurisdiction of residence do not require the TIN to be disclosed.

If you have selected Reason B, then please explain why:

[†] List all nationalities, if more than one.

[†] Generally, an individual is resident for tax purposes in a country if, under the laws of that country (including tax conventions), he/she pays or should be paying tax in that country by reason of his/her domicile, residence, or any other criterion of a similar nature (i.e. full tax liability), and not only from sources in that country. Dual resident individuals may rely on the tiebreaker rules stipulated in tax conventions (if applicable) for determining their residence for tax purposes. Your tax residence usually matches with your principal residence. For instance, a holiday apartment generally does not trigger unlimited tax liability and accordingly does not lead to a tax residence in that country.
